Indoor Environmental Services

Chris Bristow - cbristow@ies-hvac.com

1512 Silica Ave. - Sacramento, California 95815 - (916) 988-8808 - (f) (916) 348-3020

Since 1988, IES has provided design, engineering and construction for our clients including our Facility Solutions approach where over 60 districts and counting have chosen IES as their Prop 39 partner. IES is USGBC accredited and certified in green building design, construction and operations. Our highly trained and skilled employees operate as members of our customers' teams, from job dedicated Project Managers, Estimators, Registered Professional Engineers and construction crews to Certified Energy Managers, LEED and CLEP Professionals. IES was the first California company to be awarded the MSCA Green Star Certification and has also received Energy awards from the United States Senate.

Stifel, Nicolaus & Company, Inc.

Bruce Kerns - bkerns@stifel.com

One Ferry Building Ste. 275 - San Francisco, California 94111 - (415) 445-2300 - (f) (415) 445-2395

Stifel, Nicolaus & Company, Incorporated, formerly Stone & Youngberg, is nationally recognized as a leading financial services firm, with an 80-year tradition of excellence serving California public agencies. We are consistently the number one underwriter of national and California K-12 education financing and we underwrite more California municipal bonds, land-secured debt, and redevelopment financing than any other firm in the United States. The firm's website is www.stifel.com/publicfinance.

SunPower Corporation, Systems

Bill Kelly - bill.kelly@sunpowercorp.com

1414 Harbour Way South - Richmond, California 94804 - (510) 540-0550 (f) (510) 540-0552

SunPower Corp. (NASDAQ: SPWR) designs, manufactures and delivers the highest efficiency, highest reliability solar panels and systems available today. Residential, business, government and utility customers rely on the company's quarter century of experience and guaranteed performance to provide maximum return on investment throughout the life of the solar system. Headquartered in San Jose, Calif., SunPower has offices in North America, Europe, Australia and Asia. For more information, visit www.sunpowercorp.com.
