Johnson Controls, Inc.

Mike Kozlowski - Mike.Kozlowski@jci.com

1528 Hammond Court - Folsom, California 95630 - (916) 294-8816 - (f) (916) 294-8889 - Mike.Kozlowski@jci.com

Johnson Controls, Inc. is a worldwide leader in building efficiency, who specializes in the K-12 and community college markets. We develop creative technical and financial solutions that improve facilities infrastructure, lower operating costs, and maximize grant funding. We deliver guaranteed results to our customers backed by 127 years of service.

Pacific Gas & Electric

Joey Barr, Senior Program Manager, Schools - joey.barr@pge.com

245 Market St. N8A - San Francisco, California 94105 - 415-973-6009 - (c) 415-404-1072 - joey.barr@pge.com

Pacific Gas and Electric Company is one of the largest utilities in the country and has been a national leader helping schools use energy efficiency as a cost-effective way to reduce energy bills and greenhouse gas emissions. PG&E is a trusted energy advisor offering tools, rebates, and expert advice to help schools save money and maximize their benefits. In addition, PG&E provides educational resources for teachers and students to enhance the classroom experience.

Quattrocchi Kwok Architects

Aaron Jobson, AIA, LEED AP - aaronj@qka.com

636 Fifth Street - Santa Rosa, California 95404 - 707.576.0829 -(c) 707.318.0465

Quattrocchi Kwok Architects partners with schools to guide them through the process of creating a comprehensive energy master plan that enables each district to understand where their energy use and money are going. By identifying funding opportunities such as Proposition 39, QKA can help significantly improve your facilities and create General Fund savings.

School Facility Consultants

Matt Pettler - matt@s-f-c.org

1303 J St., Ste. 500 - Sacramento, California 95814 - (916) 441-5063 - (f) (916) 441-2848

School Facility Consultants (SFC) is a full-service company which assists school districts, local agencies, architects, and developers in all aspects of school facility planning and funding. Since 1986, SFC has successfully assisted more than 200 clients in obtaining billions of dollars in funding for school construction and modernization. With many years of combined experience on a variety of school facility issues, our staff is very knowledgeable in all aspects of the local planning and environmental process, federal funding opportunities, asset management, and the internal procedures and requirements of the California Energy Commission, California Department of Education and Office of Public School Construction.

SunEdison

Omar Aoun- oaoun@sunedison.com

600 Clipper Dr. - Belmont, California 94002 - 650-453-5600 ext. 301203
