Sovereign Modular

Jeanne Brown - jbrown@sovereignmodular.com - P.O. Box 222416 - Carmel, CA 93923 - (714) 325-3925
Sovereign Modular offers California school districts a solar energy solution tailored specifically for modular (portable) classrooms. We've optimized every aspect of a solar project, from design and permitting to installation, financing, and operation, for this one application. Our approach enables us to quickly analyze, develop, and implement solar projects. The results are immediate and long-term energy savings for California public schools, with minimum hassles and no out-of-pocket expenses.

Stifel, Nicolaus & Company, Inc.

John Baracy - jbaracy@stifel.com - 515 South Figueroa Street, Suite 1800 - Los Angeles, CA 90071 - (213) 443-5025
Stifel, Nicolaus & Company, Incorporated, is nationally recognized as a leading financial services firm, with an 80-year tradition of excellence serving California public agencies. We are consistently the number one underwriter of national and California K-12 education financing and we underwrite more California municipal bonds, land-secured debt, and redevelopment financing than any other firm in the United States. The firm's website is www.stifel.com/publicfinance.
